When I look up to the stars,
There's a burning deep inside me
and I feel a power growing in my soul.
There is something I can sense,
Deep within a dream to guide me,
And I know that I am reaching for my goal.

Chorus

I can do anything at all,
I can climb the highest mountain,
I can feel the ocean calling wild and free.
I can be anything I want,
With this hope to drive me onward,
If I can just believe in me.

When the skies are dark and grey,
We still know the sun is shining;
Though it's out of sight, its light is glowing still.
And as long as I believe,
There is nothing I can't wish for;
Not a dream that I'm unable to fulfil.

Chorus

I can do anything at all,
I can climb the highest mountain,
I can feel the ocean calling wild and free.
I can be anything I want,
With this hope to drive me onward,
If I can just believe in me.

And whatever it takes I'll find it somehow;
Whatever it needs I'll show I'm strong.
Whatever it takes I'll make it happen:
Finding out where I belong.

While the world is spinning round,
I can sometimes lose direction
and I know how hard it is to find my way.
But with friends around to care,
There is nothing I can't handle,
And I'll face the future treasuring each day.

Chorus

I can do anything at all,
I can climb the highest mountain,
I can feel the ocean calling wild and free.
I can be anything I want,
With this hope to drive me onward,
If I can just believe in me.
